

EXEMPLAR GLOBAL

Exemplar Global's Recognized Consulting Group Program

Gain global recognition in the compliance industry and offer your individual consultants professional recognition

What is Exemplar Global's Recognized Consulting Group (RCG) Program

Exemplar Global's RCG program aims to help your consultancy gain global recognition in the compliance industry, while providing individual consultants with professional recognition for their expertise and ongoing professional development. This program is an excellent opportunity to enhance your consultancy's reputation and establish your consultants as leaders in the compliance field.

How does it work?

The RCG applicants undergo an approval process that assesses your organization, its consulting practices, and consulting staff. After approval for the RCG program, your organization can promote its Exemplar Global RCG designation, setting it apart from competitors. Additionally, select members of your staff will be eligible for Exemplar Global's Management Systems Consultant Personnel Certification, a valuable professional credential in a competitive marketplace.

Why should you choose it?

Benefits for your organization:

- Exemplar Global recognition can enhance your organization's marketing and sales promotions as a distinguished consulting group
- By extending a broad range of Exemplar Global benefits to your clients, you can enhance your organization's value proposition and build stronger client relationships.

Benefits for your consultants:

- Certify your consultants with Exemplar Global's ISO Management Systems Consultant Personnel Certification program, providing continuous professional development opportunities.
- Access Exemplar Global's online resources, including The Auditor Newsletter and Exemplar LINK, to keep your consultants up-to-date and informed.
- Empower your consultants and their managers with the Exemplar Global Work Style Assessment (WSA), a self-coaching tool that provides valuable insights and supports career development.

EXEMPLAR GLOBAL

Exemplar Global's Recognized Consulting Group Program

Offering Personnel Certification, Work Style Assessment & Certificate of Attainment

Help Your Consultants Grow with Exemplar Global's Personnel Certifications

Exemplar Global's Personnel Certification is the next step for your consultants who have completed their Certificate of Attainment in the ISO Management Systems Consultant training. This certification offers a pathway for them to accelerate their career and stand out in the industry.

Ongoing customer surveys have revealed that the Personnel Certification from Exemplar Global enhances consulting careers, providing independent evidence of a professional's knowledge, skills, and attributes in their chosen field.

By achieving this certification, your consultants can earn Continuing Professional Development (CPD) points and digital badges that highlight their expertise, boosting their credentials and visibility in the industry.

Uncover Employees Potential as Consultants with Exemplar Global's Work Style Assessment Tool

Exemplar Global's Work Style Assessment Tool measures an individual's unique personality traits, skills, capabilities, and performance, aiding employees in uncovering their auditor-specific qualities. This comprehensive career development tool stems from a meticulous job analysis conducted by auditing professionals, psychometricians, and industry experts.

The assessment not only offers valuable insights into one's skills, capabilities, and performance but also provides guidance on how to harness and maximize these attributes within the workplace. The results highlight strengths and offer personalized coaching to foster ongoing professional growth.
